

House Resolution No. 4266

Whereas, the members of the Missouri House of Representatives hold in high esteem those Show-Me State governmental employees who admirably devote a tremendous amount of time and effort to ensuring that much-needed programs and services are provided in the efficient, effective manner mandated by the public; and

Whereas, Robin Wall of Lincoln, Missouri, has attained considerable distinction as a Parole Officer II with the Missouri Department of Corrections; and

Whereas, on Wednesday, October 20, 2004, PO II Robin Wall will enhance her already impressive record of achievement when she receives a Lifesaver Award from the Missouri Department of Corrections in light of her activities while at work on December 19, 2003; and

Whereas, when an offender reported to PO II Robin Wall for a routine visit at the District 29 satellite office in Warsaw, the parolee complained of cramping in her neck, head pain, and the sensation of having a swollen tongue; and

Whereas, PO II Robin Wall took these complaints seriously and called the offender's mother to inquire about medications that were taken that morning; and

Whereas, PO II Robin Wall then summoned medical assistance from ambulance personnel who took the offender's blood pressure, conducted a routine observation, and determined that the patient was in need of emergency care at a hospital; and

Whereas, at the hospital the offender experienced three seizures before an antidote was effective in arresting the allergic reaction the offender was having to her medication; and

Whereas, the quick, astute, and highly professional actions of PO II Robin Wall played a crucial role in getting proper medical treatment for the offender and averted what could have been a tragic outcome:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-second General Assembly, join unanimously to commend the diverse professional activities of Robin Wall, to convey to her this legislative body's heartiest congratulations upon her selection for a Department of Corrections Lifesaver Award, and to express our sincerest best wishes for continued personal and career success for many more years to come; and
